LAST WILL AND TESTAMENT
of
THE SENIOR CLASS OF 1948

We, the Senior Class of 1948 of Jackson High School, Village of Hoytville, County of Wood, State of Ohio, being of sound mind and having reached the end of our school days, do declare this to be our last will and testament.

We, the Senior Class of "48", will:

MR. LEATHERMAN all the baseball and basketball players of the future, as long as they are as good as the Senior boys of 1948.
MR. MOORHEAD all the future Physics students, providing they're as smart as Cloyce Wells and Paul Wensink.
MRS. LYLE all the good typewriters of the future, providing they're as good as they were in the year of "48".
MRS. FENIMORE the ability to teach American History the rest of her days, providing she has extra smart students like the Seniors of "48".
MISS MILLER all the joy in teaching English provided by smart students like Irvin Kline.
MISS SHAWLEY the ability to keep her smile, providing she keeps it in action the rest of her teaching years.
MRS. LEATHERMAN all the future music students who can sing like Lois Stimmel.
THE JUNIORS the honorable name of "Seniors", providing they get seats by the windows and watch the cars go by.

Lois Stimmel: I will my weight to Nancy Leatherman, providing she doesn't lose any of it.
LaVonna George: I will the waves in my hair to Kenneth Stearns, providing he keeps it cut, combed, and washed.
Elda Cohrs: I will my height to Donna Godlove, providing she puts it to good use.
Doris Cekander: I will my pug nose to Mary Karfit, providing she keeps it powdered.
Donna Bollenbacher: I will my ability to get on the honor roll to John Kline, providing he stays on it all year.
Dorothy Webb: I will my giggles to Esther Patton, providing she keeps her teeth bright and shining.
Ronnie Ginter: I will my elongated nose to Louise Powell, seeing as she can probably use it.
Kenneth George: I will my size 30 basketball trunks to Tom Drummer hoping he can fill them out better than I did.
Jim Drummer: I will my 6 feet 2 inch frame to Merrill Harmon.
Paul Wensink: I will my scientific mind to Rex K. Moorhead, and my speed to Bob Dahms.
Bill Phillips: I leave to the next unfortunate who needs them all the wrong answers in my text books.
Cloyce Wells: I will my good looks to Peter Smith, providing he keeps them for 40 years.
Dale Kern: I will my romantic technique to Karl Seedorf, providing he uses it to get himself a girl.
Glen Hennings: I will my ability to get the car to Dick Myers providing he drives as safely as I do.
Irvin Kline: I will my ability to grow a cookie duster and my ability to get in trouble with Mr. Moorhead to Dick McCormic.

-by Lois Stimmel

What a time I have had the last few days way out here in sunny California working as secretary to the president of the American Radiator and Standard Sanitary Manufacturing Co., Mr. Cuganot. Working as secretary really isn't as simple as I thought it would be. After renewing acquaintances with my boss he certainly put me to work. I am also just a little too heavy for his knee.

This morning Mr. Cuganot gave me a list of things to do such as calling his lawyer and getting more data on job applicants. After putting a call through for his lawyer I was surprised to hear the unmistakeable voice of Kenneth George, but I suppose I shouldn't have been because of the way he was always arguing with the teachers at school. He really should be experienced.

Just as I was about to leave my office the telephone rang and it was none other than my pal Dorothy Webb whom I knew was interested in secretarial wórk and after hearing of a secretary needed at the Building and Loan Tower I wrote to her and invited her to room with me. She had arrived the evening before. She called to tell me that they had accepted her and had put her to work immediately, but she didn't know how she could concentrate on her work with such a handsome employer.

Since Mr. Cuganot was leaving town on business he excused me for the rest of the day. Not having lived in the city long I decided to look it over.

While walking down the street, with nothing special in mind, I entered a large building. Going down the hall I noticed one of the doors was labeled LONELY HEARTS BUREAU under management of Ron Ginter and Glen Hennings. I wondered at this, but found out later it was due to the fact of their previous love affair with June and Donna which proved to be great disappointments. There intentions now were to help prevent such disappointments to others.

My own love life, complicated as it was, forced my steps toward advice. Seated in the room talking to the great advisors was Bill Phillips. It seems that Carol Moor and he were having marital trouble over the proceeds of the Phillips Gulf Gas Station, which was making them a name to be reckoned with on Wall Street.

After relating my masculine troubles with them, their advice was for me to get in with the new fads and fashions such as cutting my hair with bangs and also wearing longer dresses, so I set out for the nearest beauty salon. There I found my old classmate La Vonna George giving a facial. After she had cut my hair and we had had a long chat I started for the nearest fashion shop. Here Doris Cekander who was a famous dress designer refashioned my clothes and made me look like a new person.

After making myself presentable I decided to visit Carnegie Hall to my surprise and delight Elda Cohrs was giving a matinee concert. She had become very famous and pictures of her have graced the pages of many a magazine.

Tearing myself away, I dashed out to find a taxi. As I scrambled into the taxi, I found my driver to be none other than Paul Wensink. As we were driving along a beautiful palm lined drive, the motor started to sputter. Luckily we were near a garage. It was the most modern garage I had ever seen. We were very glad to see Cloyce Wells to be the proud owner. The job was finished in record time and I was on my way once again.

Not knowing any place in particular to go myself, my driver told me about the AFRICAN NITE CLUB. We drove there, and upon entering, I found it to be the swankiest club I had ever seen, and it was operated by none other than my old friend, Dale Kern. After getting settled at a table, I was astonished to find Irvin Kline to be the star comedian. He had gotten his start by cracking corny jokes at Jackson High and is now one of the best in the business.

After the show I unexpectedly saw Jim Drummer and in the next half hour that we spent talking, I found him to be the head of a university and running it very efficiently. He had studied to be a teacher, and due to his ability he was soon promoted.

In the interview with Jim I learned that Donna Bollenbacher was now a housewife for Don and lived on Second Street, so I decided to pay her a visit. I found her and her home both looking like a million dollars with her husband and seven sweet little children. I was glad to see that her dream had come true.

Meeting so many of my old class mates and having had such an exciting day had tired me, so I decided to rush home and tell Dorothy of my experience.

C L A S S H I S T O R Y

We started our first year in school with 31 members in our class. These were: Harold Decker, Deloris Courtney, Elmer Heffinger, Jimmie Martin, Paul Wensink, Tommy Perkins, Vonnie George, Dorothy Kaughman, Leoma Kirkendall, Elda Cohrs, Marilyn J. Hunter, Marilyn Trutt, Jack Milliron, Mary Jane Saucer, Norman Herringshaw, Grace Harrington, Helen Snyder, Jim Thomas, Glen Hennings, Kenneth George, LaVonna R. George, Donna Durliat, Lois A. Stimmel, Donna J. Bollenbacher, Irvin Kline, Doris Cekander, Ronald Ginter, Cloyce Wells, Patty A. Meyers, Treva Freeman, and Raymond Donaldson. Miss Herma Buhler greeted us on our first day at school and many of us were a little afraid, but soon got over it.

The first to leave us was Treva Freeman who was killed in an automobile accident. In the course of the next few years we gained a few members. These were: Howard Davis, Dorothy Webb, Phyliss Bowser, Joan Mitchell, Richard England, Lawrence Kirkendall, Jacqueline Coolidge, Teddy Bauman, Gerald Spence, and Patsy Ann Leaders. We also lost some of our number.

The teachers we had during the first six years were Miss Buhler, Miss Catherine Alban, Miss Kathryn Sockman, Miss Lois Mercer, and Miss Lois Van Dorn, in this order.

Seventh Grade

After the lower grades were through, we were glad to get on to the Junior High. Our sponsor for the Seventh Grade was Kate Leathers. In this grade we acquired 4 new members who were: James Drummer, Mildred Payne, Dale Kern, and Glen Hennings.

Eighth Grade

This year we again chose Kate Leathers to be our class sponsor. Our class was strengthened with new members, who were Robert Williams and Robert Newcomer. The class had a few parties so we didn't fair too badly.

Freshmen

Ah! We have finally made high school after eight gruelling years in the lower grades and feel pretty cocky now. Robert Williams, Robert Newcomer, Grace Harrington, and Mildred Payne left our class in the latter part of the year.

This year we chose Miss Reba Wagner our class sponsor. Nothing much happened this year and we didn't get to have our Initiation or Scrap Day as is usually done, although we did have a school party and a few of us skipped out when we were supposed to do the dishes.

Sophomores

This year we chose Mr. J. P. Merrill as our class sponsor and had a lot of fun with him. We were very happy to have ordered our rings so that they would be here the next year.

Juniors

When we came back to school, Harold Decker did not answer to the role call, but Bill Phillips, a new member from Cleveland, took his place. Our most exciting events were receiving our rings,(of which we were very proud), giving our class play "The Great Ben Allah", and giving the seniors their banquet. Our sponsor for this year was Miss Ruth Hitchcock, and we thank her for her help in all our activities.

Seniors

This is the final year that we seniors have been waiting for now through 11 hard years in school. Since Patty Myers got married, she didn't return this year, and we only have 15 members left in our class, 6 girls and 9 boys. Mrs. Imogene Fenimore was chosen as our class sponsor and the following are class officers:

President - Donna Bollenbacher
Vice-Pres. - Irvin Kline
Sec.-Treas. - Lois Stimmel
Reporter - Cloyce Wells

Most of us had our pictures taken at Boles-Dandurand Studio at Tiffin, and later Bill Phillips and Dale Kern had theirs taken at the same place. Dorothy Webb has been in the hospital most of the year, but hopes to return to school in April.

Our class play has not been chosen yet, but we hope it will be a success when we have it. We chose our class graduating caps and gowns to be blue and white.

The Junior Class composed of eleven members started the year out by electing the following officers:

President	Marilyn Smith
Vice President	Robert Dahms
Secretary	Nancy Leatherman
Treasurer	Donna Godlove
News Reporter	Esther Patton

Mr. Moorhead was appointed our sponsor.

We tried to figure out how to make money for our class so that we could give the Seniors a banquet and could take a trip next year. We finally arrived at the following conclusions.

1. Sell Christmas cards, wrapping paper, stationary, etc. Well, as you people know about every night there were some Junior boys and girls hounding your door steps. We really made money on this though.

2. Put on a class play. We presented a hillbilly play, entitled "Feudin In The Hills". We really enjoyed working on it. The play was well attended. It was directed by Mr. Moorhead and Miss Miller.

3. Collecting Sales Tax stamps. These were slow in coming in, but we made quite a lot of that "green stuff" from this idea.

4. Selling refreshments at basketball games. This is where the money rolled in. We fixed up the room that used to be the "Manual Training Room". We sold pop, popcorn, cnady, gum, and potato chips. We began to sell refreshments on Nov. 25, our first home game until Feb. 3, our last home game. We had a lot of fun doing this, but oh, were we ever tired each night!

Our class was quite active in contributing to the American Red Cross, March of Dimes, etc.

We didn't have as many parties this year as we did last year, because we were too busy making money I guess, and then most of the boys were playing basketball. We did have a Christmas party though on Dec. 18 at the home of Mr. and Mrs. Moorhead. We played games, and exchanged gifts, Mrs. Moorhead then served a very nice lunch. Everyone enjoyed themselves immensely.

On May 14 we honored the Seniors with a banquet at the Phoenix Hotel in Findlay.

I guess that takes care of our activities until next year, when we will at long last be seniors.

P A G E

On September 2, 1947, a group of very anxious boys and girls entered the Sophomore Class. All in all there were nineteen members, four of whom were new. The new members were: Wanda Faye Moffitt, who had been with us in her earlier years and who came back from Carrizo Springs, Texas; Raymond Helberg, who also had been with us in his earlier years and who came back from Bowling Green, Ohio; John Karfit, who came from Green Springs, Ohio; and Dolores Yockey, who came from Dayton, Ohio.

Some new teachers were hired to teach high school courses this year; they are: Miss Shawley, Miss Miller, Mrs. Fenimore, and Mrs. Lyle. Of these, Miss Shawley was appointed our class sponsor.

On Sept. 4, a meeting was called at which time the following class officers were selected:

President - Bea Noykos
Vice-Pres. - Gerald Moore
Treasurer - Edna Kline
Secretary - Ruth Copus
Reporter - Wanda Moffitt

We also decided to collect sales tax stamps as a way of making money and also to pay 25¢ per month class dues.

We had a few parties during the year which were enjoyed by nearly everybody in our class. The first one was at Edna Kline's. It was a Halloween masquerade party held in the latter part of October. In December we had a Christmas party at Gerald Moore's house. We had drawn names and everyone received a nice gift. In the first part of January we had a party at Cloyce Stotts and we celebrated his and Tom Drummer's birthdays. It was also a farewell party for Cloyce Stott, who quit soon after. In the first part of February we celebrated Valentine's Day with a party at the schoolhouse.

During the year three boys left our class. First part of the year Raymond Helberg went back to Bowling Green, Ohio. Then in the first part of the last semester Kenny Nutter moved to Bowling Green, Ohio, and Cloyce Stott quit school.

When the baseball season started, some of the sports-minded Sophomore boys went out for baseball. They helped in winning the games during the regular season and they finally ended up as being members of the Champion Wood County baseball team.

Then the basketball season came up and two of the Sophomore boys made the Varsity team.

In the first part of the year the girls helped make up the softball team. We played Liberty there and won. We then played them here and lost. When the law was passed in favor of girls' basketball, a team was formed which consisted mostly of Sophomore girls. We played McComb here and lost by a score of 32 to 25.

Finally the last day of school was here. Some were glad; others were sad; but we were all happy to be on our way to the Junior Class.

F R E S H M A N

P A G E

The Freshman Class of 1947-48 started off the school year by selecting Mrs. Leatherman as class sponsor and the following people as class officers:

President	Mildred Nutter
Vice President	Merrill Harmon
Secretary	Joan Brown
Treasurer	Kathleen Funk
Class Reporter	Donald Reed

Later in the year our Vice President took over the job of president when Mildred Nutter moved to Bowling Green.

We have had only one party so far this year and that was at Christmas time. Because of bad roads we had it at achool during the day. We all enjoyed the games and the good eats that followed them. We pay class dues once a month and we are planning to save all the money we can to go on a trip when we are Seniors.

We had a very successful baseball season during the fall of 1947. In the regular season's play we won five and lost one game. We also lost a pre-tournament practice game to Liberty. The following are the scores of the season's games:

Jackson	5	Liberty	2	Jackson	9	Grand Rapids	2
Jackson	2	Cygnet	0	Jackson	1	Cygnet	2
Jackson	10	Weston	3	Jackson	4	Deshler	2

On Sept. 27 and Oct. 4, 11, and 22 we journeyed to Bowling Green to participate in the Wood County Baseball Tournament. There we succeeded in capturing the Wood County Class "B" Baseball Championship. This is the first time that Jackson has won the Wood County Baseball Tournament since 1931.

Our first game in the Tournament was with Portage. This proved to be an easy victory, as we walloped them to the tune of 20 to 1. The winning pitcher was R. Ginter and the losing pitcher was Green. The box score for this game is as follows:

BASKETBALL

Varsity

We opened our 1947-48 basketball season by playing Deshler at Deshler on Nov. 18. In this game we got our revenge for the two defeats suffered at their hands the previous year by winning 38 to 28.

On Nov. 25 we continnued our winning ways by defeating Liberty (Hancock) in a home game 46 to 21.

In our next game we initiated the loss column by losing to Cygnet 41 to 36. This game was played on Dec. 2.

North Baltimore handed us our second defeat on Dec. 5 in a very close ballgame. The final score was North Baltimore 26, Jackson 25.

We defeated Liberty on Dec. 9 by a score of 40 to 24. We won this game without the help of Kline our tall guard who injured his ankle in the Cygnet game.

On Dec. 12 Portage Twp. came to our home floor where we defeated them by the score of 63 to 46.

Bloomdale, the team that always gave Jackson a rough time came to Jackson to play on Dec. 16. We had it fairly easy in winning this game by a score of 68 to 44.

After winning three games straight, we went down to defeat at the hands of Cygnet, 48 to 38.

On the night before Christmas vacation we journeyed to Malinta, and in a very closely fought game lost to them, 47 to 45, in three overtimes.

After Christmas vacation we played a game with undefeated N. Baltimore, and lost in one overtime, 40 to 38.

Next we took on Holgate on our home court, and after trailing at the intermission, we defeated them, 39 to 36.

We played Hamler on our own court in the next encounter, and they hung a defeat on us, 50 to 42.

Liberty came to our gym for a league game and we sent them back with a 68 to 45 defeat.

Then we took to the road for games with Van Buren, Portage, and Bloomdale. We lost to Van Buren on their small floor, 37 to 34, but defeated Portage, 66 to 47, and Bloomdale, 63 to 29.

We then returned home to play McComb. After leading the half, 37 to 8, we defeated them, 62 to 40.

Grand Rapids made the long journey to Hoytville, only to be upset by the Wildcats of Jackson, 55 to 44.

In our final game of the season we went to McComb, and after having a rough time for while, we defeated them, 56 to 40.

The Wood County Basketball Tournament was played at Bowling Green University Gym on Fridays and Saturdays, Feb. 13, 14, 20, 21, 27, and 28. Our first game was on Sat., Feb. 14, with Cygnet, one of our league opponents who had defeated us twice during the regular season. In a hectic finish, Jackson was leading, 40 to 39, in the final minute with Cygnet shooting a foul shot. However, the shot was missed and Jackson scored four quick points in the closing seconds to sew up the game.

Our next encounter was a week later with our arch-rivals, N. Baltimore, who had also defeated us twice in league play. In a close game all the way, Drummer broke a 33-all tie in the final minute and Jackson foiled N. Baltimore's attempts to score and won, 35 to 33.

On Friday, Feb. 20, we met Walbridge in a semi-final contest. Their height advantage proved too much for us and after leading most of the way, they defeated us, 38 to 33.

Our first start in the District Tournament on Wednesday, March 3, was against a highly touted Rossford quintet. In a fairly close game, we upset them, 41 to 31.

On the following evening we took on New Haven, Huron County champs. After leading almost the entire game, we won handily, 63 to 43, to enter the semi-finals.

We played Walbridge at 7:30 on Freday, Mar. 12, in a semi-final game at Fremont. It was nip and tuck all the way, with the score tied on numerous occasions. The score at the end of one quarter was tied at 16 points for each team. At the half it was Jackson by 23 to 22. Again at the end of the third quarter it was tied, this time at 29. In the last quarter Walbridge jumped to the fore and led, 38 to 31 with only 3 minutes to play. Jackson rallied with six quick points, but fell one point short of tying the score. When the gun sounded, it was 38 to 37, in favor of the Bears of Walbridge. It was a hard-fought game all the way, but both teams displayed good sportsmanship throughout. This defeat ended our tournament play and the season of basketball, with the Wildcats of Jackson having a record of 16 wins and 9 losses.

Early in September, 1947, we journeyed to Liberty to play them a game of Softball. We had an easy victory, as the girls were out to win. A few weeks later Liberty gave us a return game, but we were not so lucky this time, and they defeated us by one run. That concluded our softball games for that season.

Although the girls cannot have official basketball games, we had a few for fun. We played our first game with McComb, and they defeated us, 25 to 32. The teams and also the officials did not know the rules too well, but the game was played fairly well.

The girls who participated in the softball games were: Lillian Kline, Shari Allison, Stella Copus, Dolores Kline, Edna Kline, Wanda Moffitt, Ruth Copus, Bea Noykos, Vivien George, La Vonna George, Doris Cekander, Mildred Nutter, and Deloris Dishong.

Those who played basketball were: Alvina Hartman, Ruth Copus, Vivien George, Bea Noykos, Wanda Moffitt, Dolores Kline, Edna Kline, La Vonna George, Doris Cekander, Mary Leatherman, and Deloris Dishong.

Our coach for both softball and basketball was Mrs. Fenimore, and we want to thank her for directing our teams.

We all hope that there will be girls' basketball again in the years to come.

Father missed the eggs from under the turkey hen and asked little Bill if he knew what became of them.
"Sure I know," said Bill. "I put them in the dog kennel. We want pups, not turkeys."

Junior: "Pop, what are untouchables?
Pop: "The guest towels in the bathroom."

Father: "Now, Jimmie, what is a niche in a church?"
Jimmie: "Why, uhh, it's just the same as an itch at home, only you can't scratch it as well.

Telephone operator to a new girl she is just breaking in: "No, honey, you say, 'Just a minute, please,' not 'Hang on to your pants, mister.'"

Squire: "Did you send for me, M'Lord?"
Lancelot: Yes, Yes! Make haste. Bring the can-opener. I have a flea in my knight clothes.

Little Johnny (seeing snake for first time): "Oh, Mommie, come here quick. There's a tail wagging without any dog."

Father: Now son, tell me what I punished you for.
Sonny: How do you like that???? First you pound the daylights out of me, then you ask me why you did it!

Sales Manager: You give me a pain in the neck.
Salesman: Thanks for moving me up.

First Actor: The death scene was a riot.
Second Actor: How come?
First Actor: The corpse got the hiccoughs.

"Queer looking socks, Pat; one red and the other green."
"Yes, and I have another pair at home just like them."

Visitor (at asylum): "Do you have to keep the women inmates separated from the men?"
Attendant: "Sure, the people here ain't as crazy as you think."

Teacher: "Did your father help you with this?"
Don: "No, I got it wrong by myself."

Teacher: "What is the meaning of the word matrimony?"
Pupil: "My father says it isn't a word; he says it's a sentence."

Teacher: "Mention 12 animals of the Polar regions."
Student (after racking his brains) "Six seals and six Polar bears."

A visitor at an asylum was watching one of the inmates pushing a wheelbarrow upside down.
"That's not the way to push that thing," the visitor exclaimed, "You've got it upside down."
"Oh yeah? I used to push it the other way and they put bricks in it!"

Cook: "I'm leaving in exactly three minutes."
Mrs. Timothy: "Then put the eggs on to boil, and we'll have them right for once."
